Chris,

I have attached the latest versions of your testimony, the Committees questions and our responses and a separate set of Qs and As (internal only) on relevant topics. These documents have been reviewed and edited/commented on by OGC, OECA and OTAQ.

Let me know if you have any comments/edits. The Committee has asked that we send their Qs/As and your testimony by the end of next week. Since I'm starting my trip on Friday I would like to send these documents to Nora by next Thursday.

Thanks,
Jim
